

The LMEA

Apple Core

The officers publish the Apple Core for LMEA members March 2024

LMEA Blast

You may recall from the fall that we have created a whole new blast system, which we can use to send important, time-sensitive messages to our members. If you have already signed up for the blast at some point *this school year*, there is nothing more you need to do. Our building reps will soon begin the process of verifying membership for those whose emails we have and reaching out to members who haven't signed up yet. To sign up, please go to the [LMEA website](#) and simply click on the prompt in the upper-right section of the main page. Remember to use your *personal email*, not a district address.

LMEA Elections

Below you can find open positions for LMEA officers and committee posts. If you are interested in running for any of these positions, please contact Kelly Cenicola prior to the General Membership meeting on May 15. Elections will take place Tuesday, May 21.

Retirement Celebration

As you are aware, the LMEA hosts a celebration of our retiring members each spring. If you plan to retire this year, please let us know so we can invite you, celebrate your career, congratulate you on not having to attend any more professional development opportunities, and send you off with a nice meal and some good memories. Also, if you know of someone who plans to retire, you can let us know that as well. This event is currently scheduled for Thursday, May 30 at 5 pm at Eviva Restaurant. Please contact Victor Fedeli with questions or for information.
