## Building Reps

With the school year well underway and our recent elections process complete, you should be on the lookout for an introductory message from your building reps in the next few days. Building reps are an essential part of what we do, and the LMEA could not function without them. It's their job to work with building administrators and with colleagues to intercept problems when they arise and to keep the officers informed of any issues as they develop. Building reps are members of Executive Council, which is the primary decision-making body of our local. If anything comes up and you feel like you might need some advice or advocacy, building reps are usually your first stop.

## Maternity Workshop

The ever-popular maternity workshop returns to the LMEA this fall. On November 16th at 4:15 pm, Aimee will hold a zoom meeting to teach you everything about how to have a baby the Lower Merion way, and she'll answer any questions you may have about timelines, paperwork, etc. Please email Aimee at [avellia@lmsd.org](mailto:avellia@lmsd.org) for a zoom link and to RSVP.

## Outreach

Until Election Day, Outreach is volunteering to support Josh Shapiro's gubernatorial campaign. Shapiro is an advocate for public education, and we hope you will join us in spreading awareness and voting in favor of public education on November 8<sup>th</sup>. Please contact Andria Johnson at [lmeaoutreach@gmail.com](mailto:lmeaoutreach@gmail.com) if you would like more information on how you can help. LMEA sponsored a couple of events for the Music Department's Fall Fest to promote awareness of our fabulous music program and instructors within LMSD. Our next endeavor is training for the End Childhood Cancer Walk/Run in the Navy Yard on Saturday, October 29<sup>th</sup> at 8AM. Consider joining or supporting our team – **LMEA Lemons** – to help raise money and awareness for childhood cancer, a cause that is local to our community.
