

The LMEA

Apple Core

The officers publish the Apple Core for LMEA members February 2023

ADA Meetings

As we have communicated in the past—particularly since the onset of Covid in 2020—anyone who needs accommodations due to disability should contact HR to initiate the request process. That message seems to have gotten through, as we know people continue to make those kinds of requests. However, it’s also important to make contact with LMEA as well, since it’s always a good idea to take advantage of the representation you have. If, as part of this process, you find yourself scheduled to meet with HR about your ADA request, please reach out to Aimee or Victor so we can make sure you’re not attending that meeting by yourself.

Start Times

I hope you were able to read the blast we sent out a couple weeks ago regarding “Healthy Start Times.” This issue has been lurking in the background for a few years now, but at the January meeting of the school board it was revealed that a decision appears to have been made to change start times for schools beginning in the fall. A staff survey is due to come out any day, and I encourage you to fill it out—if the survey asks for your opinions, you should feel free to express them. You may also email your concerns to sleep@lmsd.org.

Retirement Seminar

The LMEA will host a retirement workshop at our office on Tuesday, March 21 at 4:15 pm. There will be a presentation by Les Benzak, who will talk about PSERS retirement options and answer questions you might have. RSVP to Aimee at avellia@lmsd.org if interested.

Retirement Celebration

As you are aware, the LMEA hosts a celebration of our retiring members each spring. If you plan to retire this year, please let us know so we can invite you, celebrate your career, congratulate you on not having to attend any more professional development opportunities, and send you off with a nice meal and some good memories. Also, if you know of someone who plans to retire, you can let us know that as well. This event is currently scheduled for Thursday, June 1st. Please contact Lisa McDevitt at McDevitL@lmsd.org with questions or information.
